SPONSOR INFORMATION

HARD ROCK CAFE BOSTON

22-24 Clinton Street | Boston, Massachusetts

THURSDAY | OCTOBER 4, 2018 | 6:00PM

Highlight your business's products and services to a diverse, engaged audience who cares deeply about young adult mental health and suicide prevention, including individuals from our Fresh Check Day colleges and universities in the Boston area. These decision makers — representing Babson College, Bentley University, Emmanuel College, Lasell College, Wellesley College, and Wentworth Institute of Technology, just to name a few — will be grateful for your support.

Together at the Table benefits the Jordan Porco Foundation's vital mission and programs. Our mission is to prevent suicide, promote mental health, and create a message of hope for young adults. We accomplish this by providing engaging and uplifting peer-run programs — *Fresh Check Day, Nine out of Ten, and 4 What's Next*. Our programs strive to start a conversation about mental health that reduces stigma while encouraging help-seeking and supportive behaviors.

The Jordan Porco Foundation is named in memory of the Co-founder's son, Jordan. Jordan died by suicide in 2011 as a college freshman. His parents turned their grief into action by creating unique programs to address the major public health concern of young adult suicide which is the second leading cause of death for individuals ages 15-24.

Thank you for helping us raise funds in a unique, engaging way that brings us all "Together at the Table" to continue reaching young adults across the country with our lifesaving programs.
